

## Day 1 Workshop - Grid Development

### GENERAL AGENDA

#### Materials Needed:

- All participants bring standards / planning materials
- All participants bring laptop / technology to work on Grids / Participate
- Development Resource Book (Provided)
- Digital Files / Documents Provided: Example Grids, Blank Grids, Grid Template.

**GOAL:** Participants will fully understand how to create and develop their own mastery grids. By end of session goal is to have AT MINIMUM 1st level of grid fully developed so that work on additional levels can be completed later if needed.

Time	Tasks
60 min	Introduction / Discussion / Questions
50 min	Developing Targets (20 min explanation / 30 min work): <b>Task 1- p.4 of Workbook.</b>
50 min	Developing Essential Questions (20 min explanation / 30 min work): <b>Task 2 - p. 6-7 of Workbook</b>
35 min	Introduce and Start: Create / Organize LO's & Assessments (20 min Explanation / 15 min Work): <b>Task 3 - p. 9 - 11 of Workbook</b>
LUNCH (60 min)	
30 min	Continue working on LO's & Assessments (30 min): <b>Task 3 - p. 9 - 11 of Workbook</b>
30 min	Create / Organize Grids (15 min Explanation / 15 min Work): <b>Task 4 - p.13 Workbook.</b>
45 min	Q&A / Overview of Implementation /Debrief / Discussion /Continue working if not finished / Exit Slip

**NOTE:** Times may be adjusted based on need or different start / end times established

## Day 2 Workshop - Classroom Implementation

### GENERAL AGENDA

#### Materials Needed:

- All participants bring standards / planning materials
- All participants bring laptop / technology to work on Grids / Participate
- Development Resource Book (Provided)
- Digital Files / Documents Provided: Example Grids, Blank Grids, Grid Template.

**GOAL:** Participants will fully understand how to develop and implement classroom systems and routines to utilize their created Mastery Grids.. By end of session goal is for all participants to understand and be able to implement The Grid Method - Mastery Learning System fully into the classroom in order to increase student achievement.

Time	Tasks
60 min	Review Grid Development / Discussion / Questions/ Changing your mindset. <b>Task 2.1.1 - p. 17 of Workbook</b>
30 min	Explaining The Grid To Stakeholders. (work on Letter) - <b>Review Resource 2.1.2 Example Letter - p.19 of Workbook</b>
45 min	Routines / Systems for Implementation. <b>Task 2.1.3 - p.20 of Workbook.</b>
30 min	Preparing The Learning Environment. <b>Task2.2.1 - p. 23 of Workbook.</b>
LUNCH (60 min)	
30 min	Managing Learner Progress <b>Review Resource 2.3.1 - Progress Monitoring Sheet - p.28</b>
45 min	Lesson Structure / Student Goals. <b>Task 2.4.3 - Setting Up Your Instructional Plan - p.32 of Workbook.</b>
60 min	Grading / <b>Task 2.5.1 Grading Plan - p.35 + Q&amp;A</b> +Additional work as needed.

**NOTE:** Times may be adjusted based on need or different start / end times established.
