

Student Grid: Time

<p>Level 3</p>	<p>3A</p> <p>Need: </p> <p>Do: </p> <p>Check: </p>	<p>3B</p> <p>Need: </p> <p>Do: </p> <p>Check:  80%</p>	
<p>Level 2</p>	<p>2A</p> <p>Need: </p> <p>Do: </p> <p>Check: </p>		
<p>Level 1</p>	<p>1A</p> <p>Need: </p> <p>Do: </p> <p>Check: </p>	<p>1B</p> <p>Need:</p> <p>Do: pages 225 and 226 #15-18, 23-25</p> <p>Check:  80%</p>	<p>1C</p> <p>Need:</p> <p>Do: pages 228 and 229 #2-6, 14-18</p> <p>Check:  80%</p>

Teacher Grid: Time

<p style="text-align: center;">Level 3</p> <p>I CAN identify an error made when telling time I CAN prove that I understand time</p>	<p style="text-align: center;">3A</p> <p>Need: Math Workbook</p> <p>Do: Puzzled Penguin page 230</p> <p>Check: Clearly explain to show understanding</p>	<p style="text-align: center;">3B</p> <p>Need: Teacher, Quiz</p> <p>Do: Pass quiz with an 80% or higher</p> <p>If students are unable to pass with an 80% or higher in 3 tries, they must do remedial work</p>	
<p style="text-align: center;">Level 2</p> <p>I CAN sort times and events into AM, PM, or both using a Venn diagram</p>	<p style="text-align: center;">2A</p> <p>Need: Venn Diagram, Sort worksheet, glue</p> <p>Do: Time of day sort</p> <p>Check: Diagram completed correctly, explanation of how student chose locations for diagram</p>		
<p style="text-align: center;">Level 1</p> <p>I CAN tell time to the nearest hour I CAN tell time in 5 minute intervals I CAN recognize the hour and minute hand on a clock</p>	<p style="text-align: center;">1A</p> <p>Need: iPad with time video preloaded</p> <p>Do: Watch time video until you think you understand fully</p> <p>Check: Able to identify minute and hour hand and differentiate between analog and digital, AM and PM. Can explain how to find time</p>	<p style="text-align: center;">1B</p> <p>Need: Student activity book pages 225 and 226</p> <p>Do: #15-18, 23-25</p> <p>Check: Students may miss no more than 1 problem*on an analog clock.</p>	<p style="text-align: center;">1C</p> <p>Need: Student activity book pages 228 and 229</p> <p>Do: #2-6, 14-18</p> <p>Check: Students may miss no more than 2 problems**</p>

**If a student misses more than 2, have them try to correct their work (perhaps needing your assistance) and then answer another 10 questions on these pages (perhaps 7-11 and 19-23) which they must earn 80% on.
